Ca Any one in New Albany wishing to subscrib the Journal will have it left by the carrier, by above the State Bark. Firders left at the drug store of Dr. Younn corer of Grayson and Twelfth streets will be attend

ed to by the carriers of this paper tiety held its first weekly exhibition for the season

brought our many first attempt, and knowing that the more nealons who lead off in these matters had to make their collections under great disadvantages, cating to the frequent showers of Iriday afternoon and Saturday morning, we bardly expected to see the first of four and saturday morning, we bardly expected to see the first of four and saturday morning. as general a collection of fruits and flowers as no found upon the Society stables.

The contributions of stawberries were quite unlimited to the contribution of the contribution of the contribution of the contribution of

The contributions of strawberries were quite in mercur, and we thought flovey a seedling and some other of the acarlet colored terries were well grown and rigened with as much beauty of color as that class of fruits ever attain. There were also some exceedingly fine samples of Burr's New Pine, and of McAvoy's Superior.

McAvoy's Superior.

We have been assured by cultivators that these weekly meetings are likely to be unusually attractive this season. Although few members will be able to contribute a general assortment of the fruits grown round about, yet everybody has something, and what with the thinning out by fruit and the green and what with the thinning out by fruit and the green and what with the thinning out by fruit and the green as we know of, are the clerks. The J. B. Ford god in from Wheeling yesterday. We thank Mr. List for a copy of the manifest. She will return 10-morrow evening.

The Great Eclipse Coming.—Capt. Spotts (sele-graphed us from Vickshurg on Saturday that the standard of the product of the selection graphed us from Vickshurg on Saturday that the liklipse passed that point on that day full of passen-

and what with the chinning out by frost and the gounal season the fruite bid fair to be very fine.

The kitchen and flawer garden, too, give equalpromise with the orchard. Never did the family of
ro as seem more perfect in form or more charming
in color than desing this season.

Creve Drecuver Springs — This delightful, fashlonable, and health restoring place of summer resort will be opened for the reception of visitors on
the 10th of June. The proprietor, Rr. John II
Caldwell, will spare no pains in rendering it in every
way even more agreeable than it has ever been before. Clary young friend, tun Low, will have charge
of the office, and active preparations are in progress
to make the coming season one of mexampled brillioney and attraction at this favored and favorite
establishment. The waters of these Springs are
pastly echelrated for their creative qualities. Among
them are found the Epson, the I halybeate, and the
Sulphur Waters. The combination of these differcut waters at one spot forms one of these differcut waters at one spot forms one of the reacced of the color of the differcut waters at one spot forms one of the reacced of the color of the differcut waters at one spot forms one of the reacced of the color of the differcut waters at one spot forms one of the reacced of the color of the colo fore. Our young friend, thus Low, will have charge of the office, and active preparations are in progress to make the coming season one of mexampled brillionery and attraction at this favored and favorite entablishment. The waters of these Springs are forwarded without detention. The Wheeling Intelligencer of Friday says:

The wheeling Intelligencer of Friday says:

The river was rising during yesterday, with 31 feet water in the channel. The banks all along the support of them of these different waters at one spot forms one of these different waters at one spot forms one of the rare excel leause of the locality. It is understood that a very large number of visitors from Kentucky and the South will prefer Crah Orebrard this summer to any of the Northern watering places.

THE NATIONAL RACE COURSE.—The friends of this sentarprise are about to begin in sarnest to make up the subscription for the stock and put it in operation. Gibson Mallory, Leq. and Col. A. P. Churchill have consented to canvass for the subscription, and will commence to-day. We have already spoken at length of the merita of the enterprise and the advantages that will certainly accrue from it to our city. The character of the gentlemen who have incity. The character of the gentlemen who have incity.

rantages that will certainly accrue from it to our ity. The character of the gentlemen who have in-tiated the movement is a sufficient guarantee that

itiated the movement is a sufficient gnarantee that the Course, when established, will be conducted in an unexceptionable manner. We shall take occasion to-morrow to show that it is to the interest of our citizens to subscribe liberally to this Course and that their emberriptions cannot fail to be a protitable investment.

The Death of We. 11. Reed, Esq. — After a long and painful illness Wm. D. Reed, Esq. of this city, died yesterday morning. He occupied a prominent position as a member of the bear and as a member of the Democrotic party. In the summer and autumn of 18/6 he made a listorious canavas as Democratis elector far this district. Soon afterwards be was seized with the illness which, after many months of painful eadurance, has resulted in his death.

day before.

& L. R. Shryock, St. Louis, and take plassure in commending them to the confidence of those who msy have business to transact in that city.

LEXINOTON RACES.—The race on Saturday, three mile heats, was a tizzle. There were three entries, viz. Charley Morehead, Nannie Clark, and Gamble. The first heat was made in 6.24 4, and in the recond no time was kept. Nannie Clark was distanced in drowned.

the first beat and Gamble in the second the first beat and Gamble in the second with railroad from for the Louisville and Nashville with railroad at \$4 per ton for Nashville, and some on their way duwn. They are all loaded to the guards, to might, which is for the benefit of Madame Keukel, a good bense. The performances are mostly operation, so that those who do not understand therman.
